

MASADA TACTICAL HELMET COVER

MASADA TACTICAL HELMET COVER

MASADA TACTICAL HELMET COVER Durable and lightweight tactical helmet cover designed to fit standard ballistic helmets with FAST or MICH/ACH high-cut profiles. Made from MIL-SPEC materials for superior abrasion resistance, the cover enhances camouflage, protects the helmet shell, and allows full compatibility with accessories and mission-specific gear. Features multiple Velcro panels for attaching IR identifiers, patches, and cable management, as well as elastic retention loops for securing strobes, lights, or counterweights. The precise cut ensures a snug, movement-free fit without interfering with mounting systems such as NVG shrouds or side rails. Ideal for military, law enforcement, and tactical professionals seeking added protection, modularity, and visual concealment for their helmet.

FEATURES:

- **Compatible with FAST and MICH/ACH Helmets** - Designed to fit most high-cut ballistic helmets for a secure, streamlined fit.
- **Durable MIL-SPEC Materials** - Constructed from abrasion-resistant fabric to protect the helmet shell from scratches, wear, and environmental damage.
