

IIIA LEONARDO CONCEALED VEST

DESCRIPTION

IIIA LEONARDO CONCEALED VEST. The LEONARDO Concealed Vest by Masada Armour offers discreet ballistic protection in a lightweight, ergonomic design. Built for law enforcement, VIP protection, and undercover operations, it provides Level IIIA protection while remaining virtually invisible under clothing. Made from flexible ballistic panels and breathable stretch fabrics, the vest ensures comfort, mobility, and full-day wearability. Its inner 2D mesh liner improves airflow and moisture control, while full wraparound coverage guarantees maximum protection. The vest is also upgradeable with hard armor plates up to 25×30 cm, offering enhanced defense when required.

FEATURES:

- **Advanced Concealed Protection** - Provides NIJ Level IIIA ballistic protection in a discreet, low-profile design for covert and professional use.
- **Lightweight & Ergonomic Fit** - Ultra-slim construction and stretch fabrics ensure natural body contour and unrestricted movement under clothing.
- **3D Mesh Inner Liner** - Enhances ventilation, wicks moisture, and keeps the wearer cool and comfortable during prolonged use.
- **Full Wraparound Coverage** - Overlapping side panels deliver 360° torso protection and a smooth, tailored appearance.
- **Upgradable Ballistic System** - Compatible with hard armor plates up to 25×30 cm, allowing quick upgrade from soft to hard protection levels.
- **Professional & Versatile Design** - Ideal for law enforcement, security personnel, and VIP protection - combining comfort, concealment, and confidence.

SPECS:

- **woven fabric nylon 400D X 400D** - [100T] with coating x2+WLR
- **Smooth & Elastic Surface** - Snug, ergonomic fit under clothing.
- **2D Mesh Layer** - Lightweight and breathable ventilation.
- **Reinforced Edges** - Anti-fray seams for extra durability.
- **Elastic Webbing** - Flexible retention and compression.
- **Hook & Loop Closures** - Secure, quick, and field-proven fastening.
