OMRI QR MODULAR MINIMALIST PLATE CARRIER

OMRI QR MODULAR MINIMALIST PLATE CARRIER

OMRI QR MODULAR MINIMALIST PLATE CARRIER

The OMRI QR is a lightweight, high-performance ballistic plate carrier engineered for special operations and rapid assault missions. Its 360° modular MOLLE platform enables full customization with pouches and mission-specific gear while maintaining a low-profile, minimalist design for maximum agility. The system accommodates ballistic plates up to 26 × 33 cm and features side quick-release buckles for rapid donning and doffing under stress. An advanced dial-based waist adjustment system ensures precise fit and easy control of belt tension. For extended operations, the carrier integrates with a battle belt and advanced hip load-transfer system, shifting weight from the shoulders to the waist to reduce fatigue and increase endurance.

FEATURES:

- **Quick-Release System** - 2 Side-mounted buckles enable rapid donning and doffing in high-pressure scenarios.
- **One-Handed Dial Adjustment** - Advanced dial-based tightening system allows precise compression and instant release with a single hand.
- **360° Modular Surface** - Full MOLLE coverage plus front & back Velcro loop panels for attaching pouches with hook backing or adding identification patches.
- **Ballistic Plate Compatibility** - Front and back compartments fit armor plates up to 26 × 33 cm, supporting both soft and hard inserts.
- **Load-Bearing Integration** - Optional connection to a battle belt with advanced hip support system, transferring weight from shoulders to waist.
- **Adjustable Shoulder Straps** - Fully length-adjustable padded straps for a customized ergonomic fit.

SPECS:

- **500D Nylon 6/6 Outer Shell** - MIL-SPEC abrasion- and water-resistant fabric.
- **Nylon D70** - Stretch, water-repellent and sweat-wicking fabric.
- **Heavy-Duty Nylon Webbing** - PALS/MOLLE compatible.
- **Loop ID Panels** - Durable Velcro surfaces (front & back) for patches or pouch attachment.
- **Quick-Release Buckles** - Rapid donning and doffing under stress.
- **Precision Dial System** - One-handed tightening and release for waist adjustment.
- **Hook & Loop Fasteners** - High-strength, field-tested closures.
- **Elastic Nylon Webbing** - Flexible retention and compression.
- **2D Mesh** - Lightweight, breathable ventilation mesh.
- **Impact-Absorbing** - memory Foam GA 29 (5mm) Shock protection and noise reduction.
- **Paracord** - High-strength utility cord.
- **Heat Shrink Tubing** - Sealed end protection.
- **Edge Binding & Seam Sealing** - Reinforced anti-fray finish.

Carrier Weight:
0.9 KG
(without ballistic
inserts)

Size Range:
S - XL

SKU:
2228700304

Armor Pockets (max):
•Front: 33 × 26 cm
•Back: 33 × 26 cm
