SAW M249 7.62 NUTSACK DRUM POUCH

SAW M249 7.62 NUTSACK DRUM POUCH

SAW M249 7.62 Nutsack Drum Pouch – Left & Right Side Configurations A tactical pouch designed to carry up to 120-round soft drums for M249 NEGEV 7 7.62 caliber Light machine guns. Available in left-side or right-side configurations, each with its own dedicated SKU to be specified when ordering. Constructed from reinforced MIL-SPEC materials for durability in harsh field conditions, with full PALS/MOLLE compatibility for integration with modular vests or duty belts. Provides dual access options – side or top – allowing fast reloads in any position. The side-opening design enables low-profile reloads while lying prone, minimizing exposure under fire. Supports top-down or bottom-up mounting, and features a secure dual-closure system with buckle and hook-and-loop fasteners for maximum retention and quick access.

FEATURES:

- **Dual Access Design -** Enables rapid reloads through side or top opening, giving the operator flexibility based on mission dynamics.
- **Side Access Advantage -** Designed for Combat Realities The side-opening configuration allows the drum to be drawn while lying prone, under cover, without needing to expose the operator by transitioning to a kneeling position under fire.
- **Left & Right Side Configurations -** Offered in two distinct models (left/right) to suit various weapon setups and personal preferences. Each version carries a separate SKU to be selected upon order.
- **Reinforced MIL-SPEC Construction -** Built for extreme environments and high-impact operations, ensuring long-term durability and field reliability.
- **Versatile Mounting System -** Fully compatible with PALS/MOLLE platforms, allowing attachment to modular vests or belts in top-down or bottom-up orientation based on mission needs.

SPECS:

- **500D Nylon 6/6 Outer Shell -** MIL-SPEC abrasion- and water-resistant fabric.
- **Heavy-Duty Nylon Webbing -** PALS/MOLLE compatible.
- **Hook & Loop Fasteners -** High-strength, field-tested closures ensuring a secure, adjustable fit.
- **Shock-Resistant Buckles & Hardware -** MIL-SPEC durable components.
- **3mm Impact-Absorbing Foam -** Lightweight padding for shock protection and noise reduction.
- **Edge Binding & Seam Sealing -** Reinforced anti-fray finish.
