VESTS

IIIA CHEN QR MOLLE BODY ARMOUR

IIIA CHEN QR MOLLE BODY ARMOUR

A modular ballistic vest with 4 quick-release points, designed to carry Exara large plates up to 28 × 35 cm. Built with soft armor protection (front, back, and sides) as standard, it can be upgraded with hard plates for enhanced protection. Featuring a large modular MOLLE surface, it supports mounting of heavy pouches for gunners, medics, or designated marksmen. The vest integrates with an advanced load-bearing belt system to transfer weight from shoulders to waist, ensuring comfort and endurance in combat. , internal 3D mesh padding to prevent wear and wick away sweat, and adjustable waist system ensure optimal comfort over time. The quick adjustment mechanism guarantees a perfect fit in dynamic field conditions.

FEATURES:

- **Full Modular Surface-** Extensive MOLLE webbing for mounting pouches, medical kits, and mission-specific gear.
- **Hybrid Protection System -** Integrated soft armor (front, back, sides) with option to add hard plates up to 28 × 35 cm.
- **Side Plate Compatibility -** Dedicated side armor pockets allow insertion of hard side plates for extended coverage.
- **Comprehensive Coverage -** Provides 360° ballistic protection, expandable with optional add-ons: neck, throat, shoulder, and groin protectors.
- **Four-Point Quick Release -** Field-proven rapid-release system for emergency doffing and immediate response.
- **Ergonomic Comfort & Adjustability -** 3D mesh padding, adjustable waist system, and quick-fit mechanism ensure long-term comfort, sweat management, and real-time size adjustment.
- **Drag Handle -** Reinforced rear drag strap for emergency evacuation and casualty extraction.
- **Load-Bearing Integration -** Compatible with battle belt and hip support system, transferring weight from shoulders to waist to reduce fatigue.

SPECS:

- **500D Nylon 6/6 Outer Shell -** MIL-SPEC abrasion- and water-resistant fabric.
- **3D / 2D Mesh Lining -** Breathable, sweat-wicking comfort system.
- **Heavy-Duty Nylon Webbing -** PALS/MOLLE compatible for modular expansion.
- **Loop ID Panels -** Front & back Velcro surfaces for ID or patch attachment.
- **Quick-Release Buckles -** Rapid donning and doffing under stress.
- **Hook & Loop Fasteners -** Secure, field-tested closures.
- **Elastic Nylon Webbing -** Flexible retention and compression.
- **Impact-Absorbing -** Foam GA 29 (10mm) – Shock protection and noise reduction.
- **Edge Binding & Seam Sealing -** Reinforced anti-fray durability.
- **Paracord & Heat Shrink Tubing -** High-strength details and sealed finish.
- **Shock-Resistant Buckles & Hardware -** MIL-SPEC durable components.

Carrier Weight:
3.35 KG
(with Level IIIA soft armor inserts)

Size Range:
M - XL
